Andrea,  
Can you look at this?  
Thanks.

(b) (5) - Deliberative process privilege

I have no idea on the format, so I defer to the Tribal Handbook and Reid's interpretation.

In anticipation of the FR notice of the Subpart W proposal I drafted a letter to the Chairman of the Ute Mt. Ute requesting consultation. I used a template from the Tribal Handbook, but any comments you have would be appreciated. I assume that once the proposal is published we will have a short window to get this out. Thanks.
